Love Called My Name

© 2022 Dan Nelson (ASCAP)

I know a place where grace runs deep
From the very heart of God; endless and free
He calls us there to mercy unending
the line is long oh but there is no waiting

Now there's no denying He will carry through
Strong and mighty Faithful and true

In Christ alone we're justified and by His blood we are purified
and in His book He wrote our names the purest love ever seen

And His mercy reigns... Oh His grace endures
His love abounds... forever sure

Over and over and over again
Your great forgiveness never ends
Day after day, Your mercy complete
Love like and ocean, deeper than deep

Teach me to wait amidst the noise
Oh Lord teach me to hear to hear only Your voice
For I lost my guilt, my fear and shame
when love called out oh when love called my name
When love called out called out my name

Montana Sunrise

© 2022 Dan Nelson (ASCAP)

I was born on the prairie in a two room shack
off highway 200 by the railroad track
The day was nothing special ... a frosty September morn
My momma was a teacher in a one room school
My daddy rode bareback in the rodeo
We didn't have much but what we had was our own
Early in the morning we'd all get up,
sit in our pajamas and watch the sun come up

CHORUS:

It was a Montana sunrise ... something you never forget
A Montana sunrise ... so magical and yet
Still takes my breath away just to remember
How that Crimson sky still makes me cry
I want to see it again

A fine prairie morning just makes me glad...
the sweetest memories that I've ever had
The sound of the Meadow Lark and Mourning Dove ... just calling to me
Now I've seen so many faces
and I've been a lot of places in this big old world

D D/C G
But one thing never changes... it's always in the back of my mind

CHORUS:

Bridge:

A^{m7} G A^{m7} D
My bones are tired ...and I'm growing old ...just one more time before I go

FINAL CHORUS:

G C^{2maj7}/E G
Show me a Montana sunrise ... over the prairie again
G C^{2maj7}/E G
Just one more Montana sunrise before I'm laid to my rest
D/F# E^m B^{m7} B^{m7}/A
Then you can bury me under the Big Sky
C^{2maj7}/E G^{2maj7}/B
Where my heart will find it's peaceful rest
C B^{m7} A^{m7} C/D G²
That's where my heart be... longs
